

Empower your employees to address legal issues on their own with DIY Docs — a convenient and trusted online tool that allows employees to create, edit, store and print their legal documents.

Employees with the ARAG[®] legal insurance plan simply log on to **ARAGLegalCenter.com** and receive immediate access to these services:

- ✓ **350+ Legally Valid Documents:** Online access to documents authored and reviewed by attorneys, including state-specific templates. These templates can be customized by your employees to create valid legal documents like a will, power of attorney, residential lease or bill of sale for a car.
- ✓ **Interactive Document Assembly Tool:** Asks simple questions to help members efficiently create their specific documents.
- ✓ **My Documents:** Online document storage and 24/7 access to create, update, retrieve and print documents.

Access to Education Center™

Members get free access to the Education Center, a collection of valuable online articles, tools and resources right at their fingertips, including:

- ✓ **Law Guide:** A collection of articles that contain insightful and timely information on a wide range of legal topics.
- ✓ **How-To Resources:** Informative materials — including guidebooks and videos — that explore key legal issues currently impacting employees, such as caregiving, debt collection, estate planning and others.
- ✓ **LawExpresso[®]:** A free e-newsletter packed with timely legal tips.
- ✓ **Additional Online Tools and Resources:** Access to a legal glossary, personal information organizer and more.
